

LAST CHANCE!

An offer in excess of £500,000 has been made for

The Rising Sun Stockcross

The local community has **until the 25th November** in which to notify West Berkshire Council that it is trying to raise funds to buy it and is developing a business plan to run it as a pub. For six months following, the owner will be prevented from entering into any kind of contract with another potential buyer.

This is possible because Speen Parish Council has acquired an Asset of Community Value listing on the premises from West Berkshire Council. But the Parish Council is not able to either acquire the pub nor participate in its commercial operation. It will however support a community group prepared to do so.

**If anyone is seriously interested in participating in such a venture, they
MUST CONTACT THE PARISH CLERK IMMEDIATELY**

on 07584 435656 or clerk@speenpc.org.uk

If sufficient support is registered, the Parish Council will facilitate a meeting for all such parties to help speed the process.
